NORTHCORE SCHEDULES FOURTH QUARTER AND YEAR-END 2009 FINANCIAL RESULTS

Toronto, ON – March 24, 2010 – Northcore Technologies Inc. (TSX: NTI; OTCBB: NTLNF), a global provider of asset management technology solutions, announced today that it is scheduled to release its financial results for the fourth quarter and fiscal year ended December 31, 2009 on Wednesday, March 31 following the close of the markets. The Company will hold a conference call at 10:00 a.m. (Eastern) on Thursday, April 1 to discuss its financial results and review operational activities. Investors and followers of Northcore are invited to listen to the call live over the Internet on the Company's website at <http://www.northcore.com/events.html>.

About Northcore Technologies Inc.

Northcore Technologies provides a Working Capital Engine™ that helps organizations source, manage, appraise and sell their capital equipment. Northcore offers its software solutions and support services to a growing number of customers in a variety of sectors including financial services, manufacturing, oil and gas and government.

Northcore owns 50 percent of GE Asset Manager, LLC, a joint business venture with GE. Together, the companies work with leading organizations around the world to help them liberate more capital value from their assets.

This news release may include comments that do not refer strictly to historical results or actions and may be deemed to be forward-looking within the meaning of the Safe Harbor provisions of the U.S. federal securities laws. These include, among others, statements about expectations of future revenues, cash flows, and cash requirements. Forward-looking statements are subject to risks and uncertainties that may cause Northcore's results to differ materially from expectations. These risks include the Company's ability to raise additional funding, develop its business-to-business sales and operations, develop appropriate strategic alliances and successful development and implementation of technology, acceptance of the Company's products and services, competitive factors, new products and technological changes, and other such risks as the Company may identify and discuss from time to time, including those risks disclosed in the Company's Form 20-F filed with the Securities and Exchange Commission. Accordingly, there is no certainty that the Company's plans will be achieved.
